TOTOO PO BA NA MAY TALLANO FAMILY, NA KING NG MAHARLIKA, NA NAGBIGAY NG MGA LUPA AT GINTO KAY FERDINAND MARCOS SR. NA UGAT NG YAMAN NG MGA MARCOS?

Madami pong sindikato na nagbebenta ng fake land titles sa Pilipinas. Isa po dun ay pinangungunahan ni Julian Tallano. Siya ang sinasabi ng mga Marcos supporters na kasama sa angkan ng royal Tallano family na pinanggalingan daw ng yaman ng mga Marcos. Ang claim po nila ay ito: Ang ninuno daw ni Tallano ang may-ari ng buong Pilipinas. At may YouTube videos pa sila na ipinapakalat upang linlangin ang mga tao na nagmula sa mga Tallano ang yaman ng mga Marcos.

Basahin niyo po ang balita:

"PRINCE OF PHILIPPINES ACCUSED OF LAND GRABBING"

"A SELF-PROCLAIMED descendant of Rajah Soliman was charged Monday with fabricating land titles covering prime real estate property on which shopping malls and posh condominiums are rising.

Julian Tallano, along with his lawyers Robert del Rio and Romeo Campos, was named in the complaint filed by Maharlikans Center for Community in the Office of the Prosecutor in Pasay City that purportedly includes the area in a busy Quezon City shopping area where Trinoma stands.

...

The case stemmed from the decision by Judge Enrique A. Agana of RTC Branch 111 that the people claiming ownership of the lands owned by the Acopiados were part of a syndicate that altered and falsified land titles." (Philippine Daily Inquirer, December 22, 2015)

At ito pa:

"CA Puts End to Land Claim of Lapu-Lapu 'descendant'

"The Court of Appeals (CA) has stopped an alleged descendant of epic hero Lapu-Lapu of the 1500s from ridiculously claiming, through three spurious land titles, the whole Philippine archipelago.

...

...

In a petition filed with the CA last April 9, the Office of the Solicitor General (OSG) assailed the validity of the lower court's ruling as well as the three fake titles that lay claim to the whole Philippine archipelago, including Kalayaan and Sabah.

Solicitor General Simeon Marcelo, along with his subordinates, explained in their 178-page petition for annulment of judgment that the "sheer area covered constitutes more than conclusive evidence regarding the spurious character of said titles..." (PhilStar Global, April 22, 2002)

KAYA DOON PO SA MGA NANINIWALA SA YAMAN NG PAMILYA MARCOS NA GALING SA TALLANO FAMILY, MALINAW PO NA GINAGAWA LANG PO TAYONG MGA MANGMANG NG PAMILYA MARCOS. KUNG PATULOY PA PO KAYONG MANINIWALA, KAILANGAN PO KAYONG MAGBAYAD NG RENTAS KAY JULIAN TALLANO. Salamat po.
