

BAKIT HINDI PINABALIK SI MARCOS, SR. SA PILIPINAS PARA MAHARAP ANG MGA KASO NIYA?

Dahil po nahuli siya ng US Government na bumibili ng mga armas at nagpaplanong mag-book ng flight pabalik sa Pilipinas upang gyerahin ang pamahalaan ni Pangulong Corazon Aquino at i-hostage si Cory. Nai-record ang boses niya at nasa babang link po puede niyong pakinggan ito.

Nagplano si Marcos, Sr. ng kanyang pagbabalik sa Pilipinas sa isang madugong paraan. Bumibili siya ng armas na sapat sa tatlong buwan na pakikipagdigmaan sa pamahalaan ni Cory. Ang mga armas na binibili niya ay pawang mga high-powered. Aarmasan niya ang mga followers niya, at kung sino man sa militar na willing sumama sa kanya. Plano niyang maglanding sa Ilocos Norte at inihahanda niya ang kanyang sarili nang mga panahong iyon para sa mahaba at madugong pakikipag-agawan ng pwesto kay Cory Aquino.

Hindi alam ni Marcos na na-tape ni Robert Chastain ang kanyang mga sinabi habang nagku-kwento siya tungkol sa kanyang yaman. Ibinigay ni Ex-Congressman Stephen Solarz ang tape sa US Department of Justice at simula noon ay pinagbawalan na siya ng US government na lumabas sa isla ng Hawaii.

Handa si Marcos na pumatay ng Pilipino, makabalik lamang sa pwesto. Kaya't hindi siya maaaring pabalikin hangga't may banta ng violent force na gagamitin ni Marcos laban sa kapwa Pilipino. At kinalaunan ay na-ospital na nga si Ferdinand Marcos, Sr. hanggang siya'y namatay noong 1989.

Basahin niyo po ang mga international articles na ito tungkol sa madugong plano ni Marcos. Makinig po kayo sa recording sa baba sa timecode 16.77 mismong boses ni Marcos na nagku-kwento pati ng plano niya na i-hostage si Cory.

BAKIT HINDI PINABALIK SI MARCOS, SR. SA PILIPINAS PARA MAHARAP ANG **MGA KASO NIYA? FIND TRUTH**

Dahil po nahuli siya ng US Government na bumibili ng mga armas at nagpaplanong mag-book ng flight pabalik sa Pilipinas upang gyerahin ang pamahalaan ni Pangulong Corazon Aquino at i-hostage si Cory.

Speaking to Chastain, who had hidden a voice-activated recorder in his briefcase, Marcos said during a meeting on May 21 he wanted anti-tank weapons, anti-aircraft missiles, rifles, mortars and enough ammunition for a three-month fight, the committee was told.

Marcos was to land by boat in his home province Ilocos Norte, where he would be greeted by supporters and swept back to control of the Philippines.

"I am going to land there, I don't care who opposes me," Marcos said, according to the tapes. "And if they oppose the landing, that is when we start the battle."

What was to happen to the current president of the Philippines, Corazon Aguino, who took office after Marcos was swept aside by a popular revolt in February 1986?

"What I would like to see happen is we take her hostage," Marcos told Chastain.

"Not to hurt her... no reason to hurt her... to take her."
